Season

- GSBL Changes
 - Introduction of 9U – So far GSBL feels there is a good chance that this will occur.
- Clothing - We are going with online ordering this year. Laura will review later this week and set pricing. The intent is to open it up for ordering for a few weeks leading up to tryouts which will get shipped and distributed by the association. It will then be reopened after the season kicks off for anyone to order but they would have to pay to have it ship directly to them.
- Fundraising – Scott B is working with Green Valley. He is working on an added year round incentive for sales from the association. Targeting similar returns as last year.
- Parent Night – We will be April 19th. Laura is working on parent packets with season and fundraising information.
- SFYBA Tournament - Everything is on track for June 5th- 6th.

Next Meeting – April 5th
